A 'Show-Explain-Apply' methodology meets the needs and abilities of first generation English learners making lessons more achievable and boosting motivation.

Try it out
Write down five more sound words. Read out each word and ask a classmate to guess what object makes the sound.

Grammar

Show

 Some bells make noise. Your jacket is smart.

Explain

 The doctor gave me a pill. The waiter brought us soup.

Apply
 Nouns that are names for non-living things are called **neuter nouns**. The word **neuter** means neither male nor female.

Underline the neuter nouns.

- The bells are chiming in the wind.
- Mina and Ravi sat on the grass.
- My father bought me a new bag.
