

# I Can

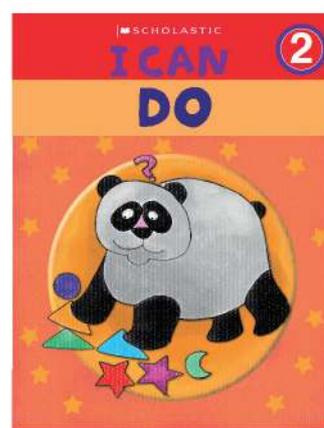

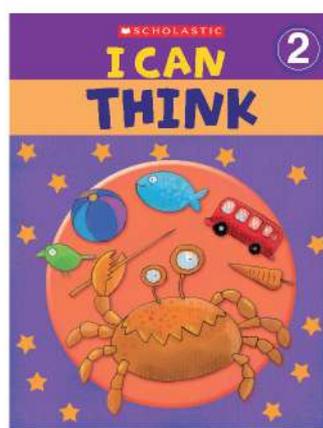

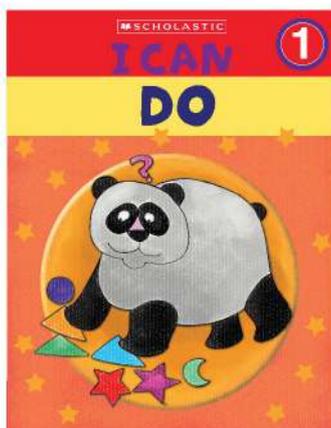

The I Can series is an exceptional educational package targeted at preschool children. The aim of this series is to help children build skills and confidence while having fun. The well-illustrated practice sheets are designed to help children gain mastery of the basic reading, writing and numerical skills.

**Key Features:**

1. 6 skills-based workbooks designed to make children independent, lifelong learners
2. Teacher-tested activities and worksheets developed by teaching professionals
3. Pictures deepen conceptual understanding and worksheets prompt interaction with text
4. Online resources support and enhance learning
