Programme Curriculum

Progressively Builds Core Language Skills

Each unit covers five essential modules (Vocabulary, Speaking, Phonics, Reading, Writing), purposefully sequenced to methodically build learner competence from one skill to the next.

Revision of learning from earlier units facilitates mastery.

Theme-based vocabulary activities teach key words and phrases.

Authentic dialogues develop effective communication skills.

Phonics lessons develop fluency in reading and spelling.

Engaging readers with appropriate activities nurture a love of reading.

Simple and practical writing activities teach grammar, punctuation, and spelling.
